

## Agenda

# International Scientific Symposium »Future of Work«

Location: Fraunhofer Institute for Industrial Engineering, Nobelstraße 12,  
70569 Stuttgart  
(Fraunhofer Institut für Arbeitswirtschaft und Organisation)  
Building G, Room 100

Time: 2<sup>nd</sup> – 4<sup>th</sup> July 2019

The International Symposium »Future of Work« aims at both appreciating the efforts from the partners of the Virtual World Tour on 4th/5th December 2018 and expanding the international research network, outlining common interests and the potential for joint research activities. The event is sponsored by the Federal Ministry of Education and Research. Further international activities are planned.

## DAY 2 (July 3<sup>rd</sup>): SCIENTIFIC EXCHANGE

---

- 09:30 am     **Welcome & Introduction**  
*Prof. Dr.-Ing. Oliver Riedel, Fraunhofer IAO*
- 09:50 am     **Welcome**  
*Walter Ganz, Fraunhofer IAO*
- 10:00 am     **Keynote 1:** Transformation of Work through Digitalization  
Key findings from the project »TransWork«  
*Bernd Dworschak, Fraunhofer IAO*
- 10:30 am     **Keynote 2:** Challenges for the Future of Work  
*Prof. Klaus Bengler, TU München*
- 11:00 am     Coffee Break
- 11:30 am     **Keynote 3:** Shaping Work of the Future – MIT OpenCourseWare  
*Dr. Inez von Weitershausen, Massachusetts Institute of Technology (MIT)*
- 12:00 am     **Keynote 4:** The Diversity of Platform Work and its Implications for Work and Employment  
*Irene Mandl, Eurofound*
- 12:30 pm     Lunch
- 01:15 pm     Two parallel workshops (Room 100 and Room »Servlab«)  
**Workshop 1:** Artificial Intelligence and Work  
*Moderation: Yassi Moghaddam, International Society of Service Innovation Professionals (ISSIP)*  
**Workshop 2:** Qualification and Learning  
*Moderation: Bernd Dworschak, Karin Hamann, Fraunhofer IAO*
- 02:45 pm     Coffee
- 03:00 pm     Two parallel workshops (Room 100 and Room »Servlab«)  
**Workshop 3:** Human Technology Collaboration  
*Moderation: Dr. Matthias Peissner, Fraunhofer IAO*  
**Workshop 4:** Impact of Digitalization on Transformation and Culture  
*Moderation: Prof. Marek Kowalkiewicz, Queensland University of Technology (QUT)*
- 04:30 pm     **Outlook:** Research Agenda »Future of Work«  
*Dr. Henning Krassen, Federal Ministry of Education and Research (BMBF)*
